

TOWN OF PERU SELECTBOARD MEETING MINUTES, APRIL 1, 2024

Flag salute.

Katie motioned, Jason seconded, to table the minutes of March 25, 2024, for corrections. Vote 4-0, Pat abstained (absent on March 25).

SELECTBOARD PRESENT: Gail Belyea (note-taker), Arthur Clifford, Jason Dolloff, Patrick Houghton, Kathryn Lawrence.

FINANCE COMMITTEE PRESENT: Lynda Hebert, Tammi Lyons, Don Roach.

OTHERS PRESENT: Dan Carrier, Jackie Child, Tom Hemenway, Brad Hutchings, Rick Vaughn, Raquel Welch.

ELECTED AND APPOINTED OFFICIALS/COMMITTEE REPORTS:

Fire chief Dan Carrier's department has been busy with over-volume calls. New gear is trickling in; he hopes to have it all before the end of this budget year. Boots are arriving sporadically. May 18 and 19: upcoming class with Maine State Fire Institute. AAA will be here April 15 to do the fire extinguishers. Engine #12 is still at Northeast in Auburn.

Road commissioner Brad Hutchings reported that today the rental company took back the heater for the temporary shelter. Jason shared that two citizens inquired of him why Brad went out-of-town last week for wrecker service, instead of using a local wrecker company.

Finance committee chair Don Roach cancelled the April 3 committee meeting; it is rescheduled for April 9.

UNFINISHED BUSINESS:

- A. The Chair reported that there has been one more RFP request for the new town garage.
- B. Vice Chair will respond to correspondence from Trident Property Insurance: trees behind the central fire station are still standing and the fire chief thinks they can be removed after mud season; also, that the town received no responses for RFPs for roofing and siding the historical society building last time we advertised, but we have re-advertised until April 22, 2024.
- C. MVHS/MS baseball/softball coach Jeff Pelletier attended to request the use of Peru's ball field this spring. The Rumford fields aren't available this season due to flooding. He asks to use our field for practices only; games can be played at other surrounding towns' fields. The board asked that he contact Scott Blaisdell about field scheduling. Arthur motioned, Katie seconded, to allow Mr. Pelletier the use of the ball field for ball practices. Vote 5-0.
- D. The tabled motion on the costs of towing two plow trucks from two separate locations on March 25, 2024, was discussed at length with the road commissioner. Brad was the operator of both trucks needing the tows. Three members of the road department got 27.5 hours of overtime each during the 3/24-25 storm. A third wrecker was at the scene of the accidents but was not necessary; Brad said he does not know if the town will be charged mileage for it, since he has no bill yet. Brad stated he contacted

a lawyer, who said Brad cannot be held accountable for paying the cost difference between Leonard's towing and a lesser quote from Adley's (Katie got the quote). Rick Vaughn asked the board for funds to buy hard hats and chaps to wear for cutting trees out of the road. Brad said he signed for four hard hats and four pairs of chaps, but Tyler was the only employee who was fitted for this equipment.
