I certify that all information given above is accurate and that all proposed planned uses/changes shall be in conformance with this application. I agree to future inspections by the Code Enforcement Officer, Planning and/or Select Board and Town of Peru Assessing Agent at reasonable hours. I acknowledge receipt of the detailed cover sheet attached to this application, and that design and construction are required to meet the *Maine Uniform Building and Energy Code standards but that the town does not inspect or enforce these requirements.

Comments : _____

Owner(s) signature(s)

Date

*Effective September 19, 2019 the 129th Maine State Legislature revised the Maine Uniform Building Code, the Maine Uniform Energy Code, or the Maine Uniform Building and Energy Code (MUBEC), Public Law 391 (LD 1509). MUBEC now applies to the Town of Peru. This permit only addresses location, dimensional and zoning requirements.

This permit does not indicate compliance with MUBEC requirements. The design and construction of your project are required by State law to meet MUBEC standards, but the town does not inspect or enforce these requirements.

SITE SKETCH

You may attach detailed sketches/architectural drawings to this page.

Please include :

1) Scale _____ inches equals _____ feet
